July 9th 2025

Dear all

On behalf of IFSS Council I am very glad to announce that the 2026 Dryland European Championship and European Masters will take place October 14-18 in Gävle, Sweden. Technical organizer will be the Swedish Federation (SDSF).

For athletes who want to try out the trails at Skidstavallen in Gävle the SOC Scandinavian Open Championships will be organized at the same venue this fall, offering an option to race out the trails.

I am very excited since the trails in Gävle are well known for being excellent and this will make for a first-class championship in 2026.

Information about the 2026 Dryland European Championship and European Masters will be posted on IFSS website as soon as they are available.

Sincerely
Helen Lundberg
IFSS President
