Hi Belgium, here comes a newsletter from IFSS.

### Exciting Update: Members Can Now Register Races Directly on the IFSS Website!

The IFSS Council is committed to enhancing the way races are managed and promoted. As part of this initiative, we are thrilled to announce a new feature: IFSS Members can now log in and register their races directly through the IFSS website.

This new capability empowers Members to take a more active role in shaping the race calendar. Whether you're a Race-Giving Organization (RGO) or another type of Member, you can now:

- \* Add new races quickly and easily
- \* Edit and update race details as needed
- \* Ensure your events are visible and up-to-date for the global mushing community

Please note: World Cup and Championship races still require prior approval from IFSS before being published.

This is a major step forward in making race registration more accessible, efficient, and Member-driven. Log in today and take advantage of this new feature!

If you have questions or if you need a member log in, contact IFSS webmaster Kjell Ek; [kjell.ek@sleddogsport.net](mailto:kjell.ek@sleddogsport.net) With a copy to [accreditation@sleddogsport.net](mailto:accreditation@sleddogsport.net)

The option for Member to register their races will take immediate effect from today.

Sincerely  
Helen Lundberg  
IFSS President
