Hi Belgium, here comes a newsletter from IFSS.

The IFSS General Assembly 2026 has approved an update to the athlete quotas for Championships. Voting Members may now nominate five (5) athletes, and Provisional Members two (2) in each class. This adjustment reflects the growth of our sport and supports stronger, more competitive classes while reducing the need for extra-slot requests. IFSS is currently in discussion with the organizers of the upcoming Dryland European Championship and European Masters in Gävle, Sweden regarding the possibility of applying this rule already for this event.
